Special Meeting of Flex First Plan Customers - Results

TORONTO, December 15, 2023 – Following subscriber votes, Embark Student Corp. (“Embark”), Canada’s education savings and planning company, today announced that it has secured plan holder approval to wind-up the Family Single Student Plan (“Family Single Student”) and Flex First Plan (“Flex First”), transferring all existing RESP assets to the Embark Student Plan and Embark Select Conservative Plan (collectively, “Embark Plans”).

The move to wind-up and transfer assets to the Embark Plans will give subscribers many enhancements towards their education savings. As a result, all Flex First and Family Single Student subscribers will have their net contributions, grants, grant income and contribution income transferred to a new Embark Plan agreement by July 1, 2024, or such other date as may be determined by the Embark Student Foundation in its sole discretion.
